SCHOOL ATTENDANCE AND ORGANISATION – SECURITY AND SAFETY RULES

As a parent or caregiver or guardian, I state the following:

- I am aware of the prevention and containment measures for co-existence with the Coronavirus effective as of today;
- None of my family member is affected by COVID-19 or is subjected to a mandatory quarantine period of at least 14 days;
- I am aware that regular school attendance by children is subject to:
 - Not to have currently symptoms of respiratory infection and not to be currently suffering from a fever with a temperature above 37,5°C (99.5°F) in the last three days;
 - Not to have been subjected to a quarantine or home isolation in the last 14 days;
 - Not to have been exposed to infected people in the last 14 days, as far as I know;

- I am aware that if a child suffers from a fever with a temperature above 37.5° C or from other symptoms associated with COVID-19, they will be isolated and immediately withdrawn from the kindergarten;
- I am aware that the person who has symptoms of respiratory infection and has a temperature above 37,5°C cannot enter the kindergarten;
- I am aware that if COVID symptoms appear, my paediatrician or general practitioner will be informed immediately;
- I know the general guidelines for building access;
- I am aware and agree that without prejudice to the commitments made by the kindergarten _____, according to the regulation in force, the school is not responsible in case of COVID-19 contagion.

The kindergarten _____

DECLARES:

- to have provided accurate information about preventive sanitary measures and safety procedures to contain the spread of COVID-19 at the time of enrolment / at the beginning of the school year;
- to be committed to inform families immediately about possible changes or additions at the procedures adopted;
- to have properly trained the school personnel who undertakes to closely comply with the procedures adopted by the school itself and set by the regulation in force;
